

What do YOUR Grumbles look like?

Everyone gets a visit from the Grumbles sometimes, maybe when you are angry, hungry, sad, tired or bored or all of them at the same time!

Oliver's grumbles are wild and woolly just like Oliver. But what do YOUR Grumbles look like? Are they BIG or small? Are they hairy, fluffy, scaly or spiky? What colour are they and do they have big teeth, horns or a tail?

Oliver would love to know!
